HOW TO SET

The original number is 0-0-0. To set your own combination, please follow these easy steps:

1. Pull up the shackle (1) (a).
2. Rotate the shackle 90° counterclockwise (b). Hold down (2) and continue to turn another 90° counterclockwise (c).
3. Set your own combination by turning dials (3) to the convex line (eg.888).
4. Turn the shackle back as normal. Then the setting is completed.
5. Dial your numbers to the convex line, pull the shackle to open.
6. Insert the shackle and scramble the numbers to lock. Repeat the above to reset.

To reset a new combination, repeat steps 1 to 4 above.

Please remember your new combination.
